A FRESH START FOR OUR BASKETBALL COURT AT PARADISE RD

Writtle Parish Council has replaced the surface and moved the basketball court at Paradise Rd – creating a safer, better and more enjoyable space for our community.

BEFORE

It started like this...

AFTER

It has transformed to this!

New location with new surface

A great space for the community

Modern, safe and ready for play

NEW SURFACE

A smooth, durable tarmac surface for better play all year round.

NEW LOCATION

The court has been moved to a more suitable spot within Paradise Rd.

A GREAT SPACE FOR ALL

A fantastic facility for young people, families and the whole community to enjoy.

BUILT FOR THE FUTURE

A safer, modern and long-lasting facility for everyone.

GREAT FOR FOOTBALL TOO!

- The football goal has also been moved to the new location.
- Moving the goal helps to prevent the surface from becoming worn and muddy, keeping it in great condition for longer.
- A smooth, level surface makes it better for football, with improved bounce, grip and safer play for everyone.

SAME SPACE MORE WAYS TO PLAY!

Thank you for your support!

Writtle Parish Council would like to thank everyone for their patience during the works. We hope you enjoy the new and improved basketball court and football area.
